

NICHE

Living better with HIV

Help us improve HIV services!

TAKE PART IN RESEARCH!

We are looking for people living with HIV to take part in focus groups to help us design a new way to support people to live well and thrive

£40 voucher for taking part!

NICHE is a research programme that is designing a new, patient-centred model of care to improve mental health and wellbeing for people living with HIV

Visit www.niche.ac or email us at info@niche.ac to register your interest
